To whom it may concern

THE SOUTHERN CAPE BUSINESS AND TOURISM DIRECTORY

This letter serves to confirm that Mr Johan and Mrs Wilma Rademan are respected business owners living and operating in George.

Their business, Clickonit, has been actively promoting local businesses for the past 12 years on various platforms and media. They currently have thousands of businesses listed on their online business and tourism guide.

They are renown publishers and on a monthly basis publish and distribute the local “Business Promoter”, which is being distributed by hand in the area covering Wilderness to Mossel Bay, as well as the “Garden Route Wheels” the “Snuffelgids” and the Official show program for the George Old Car Show.

Clickonit added value with increased awareness and visitor numbers to various public events covered in their publications. The fact that the directory is searchable on the internet should exponentially increase the market reach of advertisers in the Southern Cape Business and Tourism Directory.

We strongly support the Southern Cape Business and Tourism Directory as a medium for local business to gain market exposure.

Yours faithfully

**M NAIK
EXECUTIVE MAYOR**
